

SHAPE YOUR FUTURE

BEAUTY SCHOOL

Three-year course

Teens: 14-18

@ cfp Paullo / Milano

BEAUTY SCHOOL

990-hour course – day school

Free admittance

The purpose is to offer training and education to become a beautician. We provide the opportunity to learn and effectively practice specific beauty treatments in the field of beauty and wellness. You can learn how to handle a treatment with specific manual techniques or with the use of electromagnetic equipments, you learn to know and choose the best and most suitable cosmetic products and how to use them.

A team of experienced staff, licensed instructors and professional teachers will increase the value of your professional career. Classrooms and labs equipped with the most up-to-date equipments will be at your disposal to try out the several treatment techniques, and from the second year students will have the opportunity to experience a real training period and work experience.

The course, managed by Regione Lombardia, allows you to get a II level European qualification as Beautician and to fulfill the school obligations under the law.

After three years, many opportunities

You can:

Find a job/ at beauty centres, beauty salons, spa, beauty farms, gyms, beauty parlours with solarium, swimming-pools and sauna, which require esthetic treatments//

Stay at AFOL Milan / and attend the fourth year of the course to get a specialization that allows you to set up your own business
